

MEET THE TEACHER

Mrs. Jansen

La Mariposa

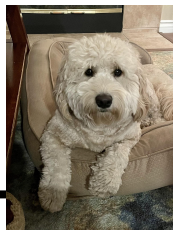

I am so excited to be one of your 5th grade teachers this year. I look forward to the amazing community we get to create! **I'M THRILLED TO MEET YOU!!**

ABOUT ME

I was born and raised in Southern California. I always wanted to be a teacher and used to play teacher as a kid. I have been teaching in the Pleasant Valley School District now for 17 years. This is my eleventh year teaching upper grades. I work with a spectacular team at La Mariposa.

I live in beautiful Camarillo with my husband and our two girls. We also share our lives with 3 dogs and 2 cats. I love camping, hiking, and playing with my dogs. I love to read and inspiring the love of reading in others. I also love baseball and the LA Dodgers.

I know this will be a wonderful year. I encourage you to ask questions and take an active role in your education here in 5th grade. Remember to give yourself grace as we navigate through this new year together.

So... let's get started!
